Suit against Care Investment Trust Inc.

NEW YORK--(BUSINESS WIRE)--September 18, 2007  
Coughlin Stoia Geller Rudman & Robbins LLP ("Coughlin Stoia")  
(<http://www.csgr.com/cases/careinvestment/>) today announced that a  
class action has been commenced in the United States District Court  
for the Southern District of New York on behalf of a Class consisting  
of all persons other than Defendants who purchased the common stock of  
Care Investment Trust Inc. ("Care Investment") (NYSE:CRE) pursuant  
and/or traceable to the Company's initial public offering on or about  
June 22, 2007, (the "IPO" or the "Offering") seeking to pursue  
remedies under the Securities Act of 1933 (the "Securities Act").

If you wish to serve as lead plaintiff, you must move the Court no  
later than 60 days from today. If you wish to discuss this action or  
have any questions concerning this notice or your rights or interests,  
please contact plaintiff's counsel, Samuel H. Rudman or David A.  
Rosenfeld of Coughlin Stoia at 800/449-4900 or 619/231-1058, or via  
e-mail at [djr@csgr.com](mailto:djr@csgr.com). If you are a member of this class, you can  
view a copy of the complaint as filed or join this class action online  
at <http://www.csgr.com/cases/careinvestment/>. Any member of the  
purported class may move the Court to serve as lead plaintiff through  
counsel of their choice, or may choose to do nothing and remain an  
absent class member.

The complaint charges Care Investment and certain of its officers  
and directors with violations of the Securities Act. Care Investment  
is a real estate investment and finance company formed principally to  
invest in healthcare-related commercial mortgage debt and real estate.

According to the complaint, on or about June 22, 2007, the  
Prospectus with respect to the IPO, which forms part of the  
Registration Statement, became effective and more than 15 million  
shares of Care Investment's common stock were sold to the public at  
\$15.00 per share, thereby raising more than \$225 million. The  
complaint alleges that the Prospectus contained inaccurate statements  
of material fact because they failed to disclose that certain of the  
assets in the portfolio of healthcare-related mortgage assets, which  
was created upon the consummation of the IPO were materially impaired  
and therefore overvalued and that the Company was experiencing  
increasing difficulty in securing its warehouse financing lines.
